Kimmel Orchard & Vineyard provides a mix of education, nature, and fun for everyone to enjoy! Education is our mission. We welcome school field trips, daycare outings, and homeschool learning groups. Contact us to schedule your outdoor learning experience. We are proud to offer handicap-accessible Apple Barn and Hayrack tours.

Three Learning Activities, One Price!

The highlight of the Kimmel Orchard Educational Tour experience is the Hayrack Ride through our beautiful 90-acre orchard. Sit back and enjoy the view. Learn about our history, from 1925 to today. You may pick up a few fun fruit facts along the way, too!

If you are ready for a hike (1.0 miles), you may hop off the hayrack, with an orchard tour guide, to experience nature up close on the Nature Trail.

At the conclusion of the Hayrack Tour, enjoy a visit to the historic Apple Barn where you will learn about apple sorting and how we make our delicious apple cider!

Tours are offered on Thursdays and Fridays, May 2 - Oct 25, at 9:00, 11:00, 1:00, or 3:00.
